

Wexford Restorative Justice Service

Restorative Justice [RJ] offers victims an opportunity to be heard, to ask questions of the offender, and to have their say in the resolution of harm caused.

For offenders, RJ provides an opportunity to face the consequences of their actions, recognising the impact that their offending behaviour has had upon others and, where possible, make amends.

Wexford Restorative Justice Service is a partnership between the Probation Service, An Garda Síochána and the Cornmarket Project.

Restorative Justice brings those harmed by crime and those responsible for the harm into communication with each other, enabling everyone affected by a particular incident to play a part in repairing the harm and finding a positive way forward.
